Dear Sir,

Subject: Manufacturing and supply of Austenitic Stainless steel (Seamless & Welded) Tubes & Pipes.

This has reference to the preliminary shop visit made by us on 04th October 2017 & 06th October 2017 to familiar ourselves inter-alia with the quality system at your works.

Based on the above and the discussion we had with you in respect to the details to be furnished on the mill test certificates, we would be pleased to undertake inspections for seamless and welded tubes and pipes at your works on an order to order basis.

We conclude that Quality Control System shall be efficiently maintained by you at all the stages of manufacturing.

Material Covered: Welded & Seamless Austenitic Stainless Steel Tubes & Pipes

Thanking you,
Yours faithfully,
Lloyd's Register Asia

Niraj shah

Note: This letter is based on the preliminary visit made at your works on the above mentioned date, and it does not construe any 'shop approval'. This report shall only be considered as acceptance for Lloyd's Register to undertake inspection for future orders at your works.
